

Solomon Virtual Learning Environment (VLE)

Solomon is a Virtual Learning Environment (VLE) established by United Grand Lodge of England. It has a number of different modules which you are invited to enrol on before you can view or download the material. This is so you can customise what you can view, to fit in with where you are on your masonic journey. So, if you are a Fellowcraft you would not enrol to the 'Seek and Learn: Third Degree', for example.

Each Degree including the Royal Arch contains two modules. One module is the "Welcome" Module and the second can be referred to as an Information module.

"Welcome Apprentice" is best completed after initiation or as the first step to completing the other modules, for more experienced Freemasons. **Please enrol on Solomon.ugle.org.uk**

Welcome Apprentice		Welcome Fellowcraft		Welcome Master Mason		Welcome Companion	
							

Upon successful completion of a modules you will receive a Solomon Certificate, upon successful completion of the four Modules you will receive a Solomon Diploma.

Please inform your Lodge Mentor and mentoring@devonshirefreemasons.org.uk when you receive a Certificate or the Diploma so that you may receive the recognition you deserve.
